

Locating Safely: Avoiding Hazards DVD w/ Field Guide

Video + Field Guide: ESU-LSAH-FG
Video: ESU-LSAH-101
Field Guide: ESFG-LSAH

Before you head out into the field to locate, this program will educate you on the top ten hazards locators face, featuring insight and commentary by NULCA President Christopher Koch, a fifteen year locating veteran and former head of safety for one of the world's largest contract locators! Included with this video is a companion Field Guide.
